COCONUT

Rooibos Tea: Cultivated from the South African Red Bush and known as "red tea," rooibos is a naturally caffeine free herbal tea leaf with a sweet taste that is great for the entire family.

Monk Fruit: Luohan guo, known as monk fruit, is a melon sized fruit grown on the mountain slopes of Asia and is treasured for its unique, low calorie sweetness.

Coconut Water: Our coconut water comes from the juiciest, ripest coconuts in the Philippines. It naturally rehydrates the body while providing a sweet and nutty flavor.
